

Dear Supporter,

In April 2012, a very exciting event will happen in St Cloud MN. More than 350 Mothers of Multiples (MOMs) will converge on the City to hear educational speakers, attend workshops, exchange information, establish great support networks, assist each other with the challenges and joys of raising multiples, AND to experience all the City of St Cloud has to offer them. The St. Cloud Area Mothers of Multiples (MOMs) is very excited to announce that our St Cloud Chapter has been chosen to host the 38th annual state convention for MOMs. The 2012 convention will be held on April 20-21, 2012.

St. Cloud Area MOMs is a non-profit organization (tax ID # 41-1942577) for mothers of twins, triplets, and higher order multiples. Our mission is to provide support for current and expecting moms of multiples. The St. Cloud MOMs chapter has existed since 1977 (33 years). We are a group of 100+ women sharing unique challenges facing families raising multiple-birth children. We meet monthly to hear educational speakers, share ideas, and offer emotional and social support.

As we are sure you realize, a great deal of planning and preparation is needed for this event to be successful. Our chapter is very busy with this now, and we don't want you to miss the opportunity to be part of the action. You can choose one or any combination of the following tax deductible participation options:

- (1) Merchandise
- (2) Gift certificates
- (3) Monetary donation.

Imagine your contribution being a much sought after raffle item, a coveted door prize, or the item everyone pulls out first from their welcoming bags. Our informational speakers can be sponsored completely or in part by your business. Your donations will be acknowledged in our State Workshop program, verbally during the convention and our chapter will graciously send your receipt with a hand written thank you. We truly couldn't do it without you and we thank you in advance for being part of this exciting event.

Please contact us with any questions you may have. We eagerly await your response!

Respectfully,

Jill Drown and Deanna Nelson (2012 MOMs MN State Convention Co-Chairs)
